

# 807 LAB SWEET

Shop grinder

---

The 807 LAB SWEET fulfills the highest quality requirements. It is the only 807 model that is equipped with premium cast steel burrs, featuring a special grinding teeth geometry. These burrs ensure an optimal particle size spread within the grounds in order to achieve a consistent extraction and more sweetness inside the cup. With close to zero retention, the 807 LAB SWEET is the perfect grinder for cuppings at the laboratory as well as for grinding single portions at the coffee shop.

- Premium cast steel burrs featuring a special burr geometry for highest precision
- Perfect particle-sizes and -shapes for excellent extraction results and more sweetness inside the cup
- Extra-wide range of grind size adjustments from turkish fine up to very coarse (cold brew)
- High-end bag clamping lever and knocker unit guaranteeing minimal retention on the slide
- Characteristic anodized aluminum adjustment wheel for convenient and accurate setting
- Height-adjustable, foldable and removable table for a flexible positioning of the coffee grounds container or a bag
- Stainless steel coffee grounds container for optimal handling
- Durable high-performance motor with a high average performance of 9 grams per second

- Temperature management with two active fans for a steadily higher performance at significantly lower temperature
  - Acceptably quiet grinding sound for minimal customer impairment
  - Quickly removable bean hopper and magnetic drip tray for easy and thorough cleaning
  - Compact footprint ensuring the efficient use of valuable working space
  - Elegant shaping and high-class materials reflecting the highly esteemed Ditting standards
- 

**Voltage // frequencies // phases:**

220-240 V // 50/60 Hz // 1~

110-127 V // 60 Hz // 1~

100 V // 50/60 Hz // 1~

**Revolutions per minute:** 1400 rpm (50 Hz); 1700 rpm (60 Hz)

**Burr diameter:** 80 mm

**Burr material:** Premium cast steel

**Grinding capacity\* (medium):** 9 g/s

**Bean hopper capacity:** approx. 510 g

**Nominal power:** 700 W

**Dimensions (w x h x d):** 216 x 536 x 300 mm

**Dimensions of packing (w x h x d):** 292 x 685 x 377 mm

**Net weight:** 17.4 kg

**Shipping weight:** 18.8 kg

**Standard colors:**

Body: Black, Black & white

Bean hopper: Black, smoked

**Listings:** CB, UL/CSA, NSF, KTL, EAC

**Standards:** On request

---

**EQUIPMENT FEATURES**

- Height-adjustable, foldable and removable table

---

\* Depends on the grinding goods and the chosen degree of fineness. All measured values under laboratory conditions.
